- Interfaith Committee – June 26th 2-3pm

Interested in Participating in Needs Assessment Working Group? Complete this survey: <https://forms.office.com/r/sZyaeEQCKa>

Meeting Notes:

- *Introductions & Admin*
 - o All participants introduced themselves and their organization
 - o All ROSC meetings and committee meetings held on Zoom will come from Sarah Richardson at FGC moving forward.
- *Committee Goals & Objectives for FY 25*
 - o FGC has drafted a new template that each committee will use to develop concrete objectives and tasks for FY25. Sarah Richardson and Rick Nance will bring to each committee meeting in June-early July to engage members around drafting these deliverables
 - o Each committee will need to designate a committee chair – Sarah and Rick will support members through this process
 - o Currently, the committee meeting schedule is:
 - Outreach Committee – 2nd Tuesday at 2pm
 - Interfaith Committee – 4th Wednesday at 2pm (may change)
 - Recovery in Action – 2nd Thursday at 5pm at 120 N 11th St, Springfield
 - o Also need to complete and analyze a community needs assessment – this should be conducted annually
 - We will be pulling together a working group to complete this over the next few months. If interested, please indicate here:

- *Member Updates*
 - Salvation Army is hosting a Celebration in the Park at Comer Cox Park on August 2nd. Flyer attached
 - FGC operates a mobile Medication Assisted Recovery (MAR) van in and around Sangamon County that carries buprenorphine on the van. A nurse can provide medication initiation and connection to ongoing care. Email Sarah Richardson if your organization is interested in partnering: srichardson@fgcinc.org
- *General Discussion*
 - Committee had previously discussed having a 15-minute presentation on each meeting. Do we want to do that again?
 - Maybe wait until after the summer, when participation and email list are more clarified
 - Will be helpful to show each committee a list of sectors and have them help bring people to the table from each sector – Rick Nance and Sarah Richardson will do this at June committee meetings
 - Sometimes asking peers to attend the ROSC meeting doesn't go over very well.. How to address?
 - Important to remind people that ROSC does not actually do direct services
 - ROSC meetings can feel like they lack clear opportunities to interact and give feedback. Structuring them better for this could allow peers and others to feel more invested in attending and participating
 - Perhaps this is something the needs assessment can ask - why don't people come to the ROSC meetings?
