

Final Report FY24
Clark and Cumberland County ROSC Council (CCCRC)

Region: ROSC Region 4

Agency: Hour House

ROSC County: Clark and Cumberland Counties

Contacts:

ROSC Coordinator, Kristina

Drum

ROSC Program Supervisor,

Jenna Hays

Purpose of the Final Report: This report documents the implementation of short-term goals set by CCCRC during FY24.

The CCCRC has successfully delivered over five engaging presentations to local stakeholders, outlining the impactful ROSC strategic plan. Additionally, the ROSC has effectively convened 12 monthly ROSC Council meetings and hosted monthly education groups/events. CCCRC has played a pivotal role in expanding support groups for peers and has significantly increased access to education within communities, particularly focusing on harm reduction pathways. Furthermore, CCCRC has engineered a series of impactful events aimed at reducing stigma and promoting open recovery, such as candlelight vigils, recovery picnics, "hidden in plain sight" exhibitions, and Narcan training. CCCRC has also successfully elevated the visibility of ROSC through strategic social media campaigns, radio ads, billboards, and bus ads, thus resulting in a steady increase in ROSC Council membership by at least one member every quarter.
