

DOUGLAS COUNTY ROSC COUNCIL

NEWSLETTER

July 2024

ROSC Councils build collaborations in their communities that connect everyone who can support recovery.

Congratulations!

On your new roles

You may remember Jenna from the beginning of the ROSC program in 2018. For the last 2 years, she was the Region 4 Mentor. Join me in congratulating Jenna Hays in her new role as Recovery Outreach Supervisor.

We would also like to congratulate Karen Cook on her promotion to Associate Director of Community Services for Hour House. Karen is destined for great things and we are so proud of her!

PLEASE BRING A BLANKET OR LAWN CHAIR FOR SEATING
RESOURCES, INCLUDING NARCAN, WILL BE AVAILABLE.

FUNDING FOR THIS PROJECT IS PROVIDED IN WHOLE OR IN PART BY THE ILLINOIS DEPARTMENT OF HUMAN SERVICES, DIVISION OF SUBSTANCE USE PREVENTION AND RECOVERY.

We are excited to announce that the ROSC Council, led by The Hour House, is launching a Communication Campaign to raise awareness and provide education about substance use disorder and recovery. The counties covered by the campaign are Clark, Cumberland, Coles, Douglas, Edgar, Effingham, Moultrie, and Shelby. We need your help to collect data throughout this campaign. Please click the link below to complete a short survey (throughout the month of July) to the best of your ability. If you have any questions about accessing or submitting the survey, please don't hesitate to reach out to us. Together, we can make a positive impact in our communities!

Survey Link:

We Need You!

Community based services or individuals that are considered key stakeholders for a ROSC

Agencies and Persons with Lived Experience, working together to build communities supportive of those in Recovery from Substance Use Disorders.

A Recovery Oriented Systems of Care (ROSC) is a coordinated network of community-based services and supports that is person-centered and builds on the strengths and resilience of individuals, families, and communities to experience recovery and improved health, wellness, and quality of life for those with or at risk of substance use and/or -co-occurring conditions. The central focus of a ROSC is to create an infrastructure, or "systems of care", with the resources to effectively address the full range of substance use and/or co-occurring disorders within communities.

runsignup.com/Race/IL/Tuscola/APaceforPetey

Description

The goal of A Pace for Petey is to bring about awareness to overdose/drug addiction and recovery. It is in honor of Jordan "Petey" Scribner, who at the young age of 20, lost his battle of addiction to a tragic heroin overdose on February 17, 2014. It will begin in the south parking lot of Tuscola High school, close to his final resting place, and end with a lap on the track around the TCHS football field, where he played many, many football games and ran on the track team.

New this year is a kids fun run, called Jake's Jog! It is in honor of Jacob (Petey's brother), who also lost his battle to substance use, on May 29, 2019, at the age of 29. His resting place is right next to his brother. Jacob always drove the golf cart sag wagon at A Pace for Petey, prior to losing his battle. Jake's jog is for kids 10 and under. It will be one lap around the track and all kids will receive a participation medal.

Both boys are GREATLY missed--especially by Jake's daughter, Makenna!

Come join us in the race, or cheer the runners on. Be a sponsor and/or a volunteer! We can't wait to see you all!!

Recovery Begins Here.

1 ASSESSMENT
Call us at (217) 330-5676 for a free and confidential assessment.

Our Assessment Team will:

- Talk to you about your health, drug/alcohol use, home and work life, and support system.
- Contact a medical screening.
- Answer any questions you may have about treatment.

2 TREATMENT
Following your assessment, our Assessment Team will determine the level of care that best supports your path to recovery.

3 SCHEDULE
After your treatment course is determined, our Assessment Team will help you prepare for transport or transport treatment.

NARCAN IS A MEDICATION THAT CAN BLOCK OR REVERSE THE EFFECTS OF AN OPIOID OVERDOSE. ANYONE CAN EASILY USE NARCAN TO SAVE THE LIFE OF SOMEONE OVERDOSING ON OPIOIDS, INCLUDING FENTANYL, HEROIN OR PRESCRIPTION MEDICINES LIKE OXYCONTIN® OR PERCOET®.

IF YOU OR YOUR AGENCY WOULD LIKE TO RECEIVE ADDITIONAL TRAINING ON USING NARCAN, PLEASE GET IN TOUCH WITH THE DOUGLAS COUNTY HEALTH DEPARTMENT AT 217-253-4137, SHALYNN'S HOPE, INC AT 217-493-4184, OR DOUGLAS COUNTY ROSC AT LEANNAM@HOURHOUSERECOVERY.ORG.

IF YOU OR SOMEONE YOU KNOW IS OVERDOSING AND NEEDS IMMEDIATE ATTENTION, PLEASE CALL 911. IN THE INSTANCE YOU ARE WITH THAT INDIVIDUAL, THE GOOD SAMARITAN LAW STATES THAT ANYONE WHO CALLS FOR HELP OR DROPS OFF SOMEONE EXPERIENCING A DRUG OVERDOSE WILL NOT RECEIVE CHARGES FOR POSSESSION OF PARAPHERNALIA. ONE LIMITATION OF THIS LAW IS THAT THE PERSON WHO OVERDOSED IS NOT COVERED, AND ANY OTHER CRIME COMMITTED AT THE SCENE IS NOT PROTECTED BY LAW.

DART Deflection Initiative Launch

The DART Leadership Team is excited to invite you to the launch of the DART Deflection Initiative, which will feature a training session. This event marks a significant milestone in our ongoing efforts to positively impact the community, and we are thrilled to have you join us on this journey.

This occasion celebrates the launch of DART and the commencement of deflection referrals. Additionally, it offers hands-on learning as our dedicated DART team delves into the intricacies of the deflection process. This gathering will allow everyone to become familiar with one another and put faces to names, especially as referrals begin to flow in.

YOU'RE INVITED

WHEN:
July 31, 2024
1:00 PM to 5:00 PM

WHERE:
Monticello High School Auditorium
1 Sage Dr. Monticello, IL 61856

WHO:

First responders and Community-based service providers. This includes those who will refer individuals to deflection specialists and the dedicated on-the-ground personnel responsible for accepting deflection participants into various services. It encompasses all individuals actively involved in deflection, including line staff and supervisors across the first responders, treatment, and community sectors. Whether they are working on the streets or part of broader network organizations, this invitation is extended to all those actively involved in the crucial work of deflection.

Important Note:

While the deflection initiative is a promising approach, it is not an immediate solution to our challenges. It will take time to see significant success; your ongoing dedication and commitment are crucial in this effort. Know that you may refer an individual more than once, and recovery is a process that can take time.

This event is pivotal in ensuring the success of the DART Deflection Initiative. We value your dedication to this cause and are eager to equip you with the knowledge and resources needed to make a difference.

We look forward to your participation and the valuable contributions you will bring to this initiative.

Please email Koren VanderWeele, Program Manager with TASC's Center for Health and Justice, at Kvanderweele@tasc.org RSVP by July 29 to confirm attendance.

Thank you for being an integral part of the DART mission. Together, we can profoundly impact our community and the lives of those we serve.

We look forward to seeing you on July 31, 2024, and embarking on this meaningful journey together.

To enhance the quality of life for those with substance use disorders and mental illness, address community issues related to SUD, and reduce justice system involvement.

In the Wake of the Storm: The Family Impact of Living with Intergenerational Toll of Behavioral Health Conditions

**The Illinois
Family Resource Center**
Sometimes change happens an hour at a time.

With so many vulnerability factors, genetics to posttraumatic stress raised in families with behavioral health conditions sometimes make up the lion's share of participants in mental health and substance use disorder services. Our understanding of this population has deepened over the years as their circumstances have grown more complex. Join us for this interactive 90-minute webinar as we explore the complex and often traumatic effects of growing up in these troubled families on children, the adults they grow into, and their ongoing lives and relationships, along with our efforts to help them. This webinar will take a strength-based, trauma-informed approach toward deepening our understanding and making interactions with this population safer, more respectful, and more effective.

About the presenter: Pamela Woll, MA, CPS is a Chicago-based author, curriculum developer, and consultant dedicated to increasing the resilience and capacity of individuals, families, communities, organizations, and systems of care. Among her primary areas of focus are resilience, trauma, and strength-based approaches to behavioral health conditions.

DOUGLAS COUNTY ROSC COUNCIL (DCRC)

July 1, 2023 – June 30, 2024

FY24 ACTIVITY

- **Narcan and Fentanyl information translated to Spanish.**
- **The Douglas County ROSC Council assisted in completing projects funded in whole or in part by the Opioid Settlement for Douglas County.**
- **Distributed 400+ Adult Resource Bags with resources in English and Spanish.**
- **Provided 200 Youth Resource Bags to local schools along with information for parents, included separately.**
- **Council members distributed 20 resource backpacks to unhoused individuals.**
- **Distributed 600+ Fentanyl testing strips and 100 Xylazine testing strips.**
- **Narcan distributed through 17 Drug Overdose Prevention Program (DOPP) sites located in 7 towns in Douglas County. 10 of the sites were new in FY24.**
- **Darlene Smith offered community education groups in Atwood, Arthur, Tuscola, Villa Grove, and Virtually.**
- **Darlene Smith offered weekly education groups at Douglas County Jail and HOPE of East Central IL.**
- **Invited 9 guest speakers at ROSC council meetings.**
- **Proclamation from City of Tuscola for Overdose Awareness Day and a Candlelight Vigil at Douglas County Courthouse with a three-generation family speaking on their experience losing family to opioid overdose.**
- **Council members filled and distributed resource bags to raise awareness of Recovery Month**
- **Partnered with Shalynn's Hope to decorate journals as a Suicide Prevention Awareness Month project.**
- **Dress for Success Business Attire Workshop, offered in July & October at Tuscola Workforce Development.**
