Notes

- I. Welcome and Introductions
- II. Old Business/Recap of Last Month's Meeting
 - a. Thank you to Trina Martin for covering the meeting since Cammy was out!
 - b. We updated everyone about the Narcan tabling that we did at Bob's Food Market where we trained 23 people!
 - c. We discussed the statewide meeting and what we learned!

Recovery Oriented System of Care

- d. Council members want more harm reduction education.
- e. We could partner with the college in Harrisburg since it is the closest one in our area.
- f. Council members want us to be more present for school and community festivals!
- g. Check out our previous minutes for more information!

III. [Video](#)

- a. "Everything you think you know about addiction is wrong."
- b. Ted Talk by Johann Hari

IV. Video Discussion

- a. Council members agree with the video that punishment is not the answer to substance use.
- b. Council members brought up the unfair treatment of Black and Brown folk who use substances compared to White folks who use substances.
- c. Budget cuts to recovery will be detrimental to the community.
- d. Council members felt like there is a chemical component to substance use, but were talking about social factors as well.
