

Northwest Suburban ROSC Coalition August 22, 2024
10:30 AM – 12:00 PM CST
650 E. Algonquin Rd., Suite 450, Schaumburg, IL 60173

Introductions

As this was the first meeting of the new coalition, we went around and had everyone share who they are and what they do. This was the first step in identifying resources we will be able to pool together to be impactful in the community.

Community Conversation

We identified some goals and focuses of the coalition:

- Access, presence, and education
- Reducing barriers to treatment
- Meeting people where they are at
- Supporting parents and families as well as students
 - Curriculum building
- Reduce stigma and calling people in instead of shaming them (especially in faith based communities)

Next Meeting: September 26th 1:30pm on Zoom
