Notes:

The September meeting for the West Central Illinois ROSC was a huge success. It was our first Hybrid meeting ever. We had 13 people attend in person and 14 people attended via Zoom. Our meeting owl worked well and everyone seemed happy and engaged. We had 14 different agencies in attendance. Agencies present included; Oxford House, Bridgeway, Chestnut Health Systems, New Harvest Church, Knox County Drug Court, Warren and Henderson County Drug Court, Regional Office of Education, Brightside Recovery, Knox County Health Department, Youth Empowerment Services, Hope Outreach, Celebrate Recovery, Jolt Harm Reduction, and more! Our monthly spotlight was Chance Uhland of Celebrate Recovery in Abingdon, Illinois (Knox County). Chance gave a very powerful testimony that included his recovery journey. He is now the men's leader of a new and growing Celebrate Recovery here in Knox County. Coordinator has met with superiors, colleagues, and WCI ROSC council members to address the strategic plan and future of the WCI ROSC.

Welcome

ROSC

ROSC Mission:

Welcome

ROSC Mission:

"Collaborating to build and empower communities of recovery"

ROSC Vision:

- People can and do recover.
- Individuals and families determine the supports and services they need.
- Services and supports are continuous and cohesive across different phases of care and are coordinated across the various agencies involved in their delivery.
- Support of recovery is a community responsibility and value.
- There is inherent flexibility in the system, so it can be responsive to different pathways to recovery.
- Measuring quality and outcomes is a system priority.

ROSC Values:

- Recognize the right of a person to direct their own recovery
- Recognizing that there are many models of, and paths to, recovery
- Operate with integrity and a sense of personal responsibility
- Include the "voice" of peers, family members, and the community in planning and decision-making
- Implement programs with competency and good stewardship
- Empower individuals and families
- Embrace cultural diversity

ROSC Goals:

- Inform, educate and empower individuals and communities

- Determine existing services available as well as the needs to expand necessary services in the areas of prevention, treatment, peer recovery support and systems improvement
- Partnerships that are rich and diverse
- Increase in the number of people pursuing recovery, improving recovery capital to strengthen capacity to build and maintain lives in recovery and build recovery sustainability
