

Piatt County R.O.S.C. Council

Communication Plan

Mission Statement:

The mission of the Piatt County Recovery Oriented System of Care Council is collaborating to build and empower communities of recovery.

Communication / Outreach Goals

1. To increase the awareness of Piatt County ROSC Council and opportunities for involvement in Piatt County.
2. Increase engagement on the Piatt County ROSC Council
3. Decrease stigma regarding substance use and recovery
4. Increase representation of Persons with Lived Experience on our ROSC Council
5. Expand the peer support networks in the community

Objectives:

1. Create a working email list of all community stakeholders
2. Collaborate with professionals, peers, formal and informal service providers to support the recovery process to the greatest extent possible.
3. Increase access to and capacity, proper placement, and quality of care, as well as retention for those in Recovery.
4. Distribute at least five different communication methods (press release, social media blasts, email blasts, rack cards, special events....) to community by June 30th, 2025.

Targeted Audiences for focus are:

1. SUD/Mental Health Providers
2. People and Families with Lived Experience
3. Hospitals and Primary Care Providers
4. Law Enforcement Agencies
5. Faith Communities
6. Youth
