

Clark/Cumberland County Recovery Oriented Systems of Care (ROSC)

PURPOSE: Your input is invaluable in ensuring that individuals and families impacted by substance use have access to the support they need. Please answer honestly; all responses are confidential and will only be used to improve the resources available in our communities. Thank you for helping make Clark and Cumberland Counties a stronger and healthier community for everyone.

Are you a Clark County resident? **Yes or No**

Are you a Cumberland County? **Yes or No**

1. How do you typically receive information about local county resources/events/services? **Select all that Apply.**

11. Do you feel confident and comfortable asking for help if you need any community resources, services, or support at this time?

Yes No I don't know

12. Do you believe that some individuals in your community may be facing challenges with stable housing?

Yes No I don't know

13. Are there events or activities in your community that are welcoming to individuals who prefer a substance-free environment?

Yes No I don't know

14. I have access to reliable transportation in my community.

Yes No I don't know

15. Drug Courts are specifically for persons with substance use disorders. These court programs offer individuals the opportunity to enter long-term drug treatment and agree to court supervision rather than receiving a jail sentence. Do you think a Drug Court program could be helpful for people in Clark County who are facing legal and recovery related challenges?

Yes No I don't know

16. Would having more recovery housing options in your community be beneficial for individuals in recovery from substance use challenges?

Yes No I don't know

17. If you would like to get involved with the Clark/Cumberland County Recovery Oriented Systems of Care (ROSC) Council, please provide your contact information below. As a ROSC, our goal is to build a supportive community for individuals in recovery and their families, connecting them to the resources they need, while ensuring all voices are heard to create a healthier, more inclusive community.
