Notes

I. Welcome and Introductions

Recovery Oriented System of Care

II. Old Business

- a. Last month, we watched a thought-provoking video! We discussed different elements of the Ted Talk! We learned that a health loving community is important to preventing and stopping substance use in our communities!
- b. Many council members agreed that connection is the opposite of addiction.

III. New Business

- a. Membership Protocols
 - i. This is a document that tells members what to expect from us and what we hope members will interact!
 - ii. Cammy went over the goals of the ROSC both our ROSC and state's goals for all ROSCs to begin!
- b. Comments on Membership Protocols
 - i. One member wanted to make sure that our strategic plan coordinated with our goals. Tor explained that the council would make sure that goals aligned with our plan later in the year!
 - ii. Members believed that having an outreach presentation would be very helpful!
 - iii. Change membership to council members in the document.

Recovery Oriented System of Care

- iv. Member mentioned that they did not know that Arrowleaf had a Recovery component so more outreach is needed!
 - 1. Out cards in the dairy bar, so people know more about Arrowleaf!
- v. Member wants a meeting one-on-one with Cammy to be able to understand what we offer more!

IV. Announcements

- a. Cammy will be at the Hardin County Back-to-School Bash on 08/13/2024 from 10AM-2PM!
- b. Cammy will be tabling for Overdose Awareness Day in Union County on 08/31/2024 from 10AM-12PM at Kiki's Coffeehouse, wish her luck!
- c. Recovery Month is next month! Please look out for our newsletter with our exciting plans for this month!
