

Illinois Statewide Recovery Oriented System of Care (ROSC) Clinton County Illinois Survey

Funded in whole or in part by the Illinois Department of Human Services, Division of Substance Use Prevention and Recovery (SUPR). The purpose of this survey is to measure public opinion on issues related to recovery. The information collected will be used to identify areas for improvement in our community. Your responses are confidential so please answer the questions honestly and to the best of your ability. They are ranked from 1(one) to 5 (five). 1 (one) being the strongest disagreement to 5(five) being the strongest agreement. Thank you for completing this survey. Thank you for your participation in this voluntary/anonymous 5 minute survey. Your responses will support growth and

Mental Health/Substance Misuse Prevention
