The December meeting for the West Central Illinois ROSC was a huge success. We had representation from 11 different agencies. Agencies represented included Galesburg Police Department, Bridgeway, Oxford House, Birth to Five, AHEC, Knox County Drug Court, Gateway, KCHD, Chestnut Health Systems, Carle Healthcare, New Harvest Church and more. Ambrosia Branson of Hour House gave a very informative presentation on the Circle of Care program. Highlighted were programs and items for youth and the importance of Jerry Moe's 7 C's. ROSC council members were highly engaged, and a rap session followed the presentation. Coordinator has met with Bridgeway superiors, coordinators, and West Central Illinois ROSC members to discuss the strategic plan and future of the West Central Illinois ROSC.

**ROSC Mission:**

## **Welcome**

### **ROSC Mission:**

"Collaborating to build and empower communities of recovery"

### **ROSC Vision:**

- People can and do recover.
- Individuals and families determine the supports and services they need.
- Services and supports are continuous and cohesive across different phases of care and are coordinated across the various agencies involved in their delivery.
- Support of recovery is a community responsibility and value.
- There is inherent flexibility in the system, so it can be responsive to different pathways to recovery.
- Measuring quality and outcomes is a system priority.

### **ROSC Values:**

- Recognize the right of a person to direct their own recovery
- Recognizing that there are many models of, and paths to, recovery
- Operate with integrity and a sense of personal responsibility
- Include the "voice" of peers, family members, and the community in planning and decision-making
- Implement programs with competency and good stewardship
- Empower individuals and families

- Embrace cultural diversity

***ROSC Goals:***

- Inform, educate and empower individuals and communities
- Determine existing services available as well as the needs to expand necessary services in the areas of prevention, treatment, peer recovery support and systems improvement
- Partnerships that are rich and diverse
- Increase in the number of people pursuing recovery, improving recovery capital to strengthen capacity to build and maintain lives in recovery and build recovery sustainability
