III. 3 CORDS MISSION, VISION, PAST MEETING REVIEW- VAWNSHEKIA OKLAH

- At Three Cords Strong, our mission is to empower individuals on their recovery journeys by weaving together the essential strands of personal growth, family support, and community resilience. We believe that recovery is a continuous journey rather than a final destination and strive to embrace and support individuals on their unique paths to recovery.
- Three Cords Strong ROSC Alliance envisions a world where recovery is celebrated as a lifelong journey, weaving the threads of personal growth, family bonds, and community support into a resilient tapestry not easily broken.
- Talk about our ROSC community survey
- Highlight of the Loneliness and Grief talk done by Don Gordon
- Introduce our Think Tank and ask for volunteers; strategize on how we could best help our folks who are suffering from these diseases with focus on black and brown populations, reentry populations, and recidivism rates

IV. INTRODUCTION OF SPEAKER AND TOPICS – VAWNSHEKIA OKLAH

- Speaker Don Gordon, To Equip His People, will talk about: Loneliness and Grief During the Holidays

V. Speaker – Don Gordon, To Equip His People

- Help people heal from trauma
- Holidays are triggering for people related to trauma
- The Story of Bobby: Lives in Low End one bedroom apartment, doesn't see his children or ex wife, holidays are a big deal for Bobby family, Bobby's parents passed away, loss the family home, nowhere to go and no one to be with during the holidays, struggles with loss of appetite, feelings of worthlessness and guilt, lack of energy to interact with other people or to look for a job
- We look at where they are at and not Why they are at
- You feel the way you feel; nobody can tell/make you feel how to feel
- Grief vs Trauma

- Grief is mourning the loss of someone or something
- Trauma/Heart wound; overwhelmed with intense fear, helplessness, horror. Trauma always involves grief but we can experience grief without trauma
- Secondary Trauma is the development of PTSD-like symptoms without directly witnessing or having been involved in a traumatic event. Caregivers are susceptible
- The Grief Journey: Denial and Anger, No hope, New Beginning, false bridge of getting over it
- Who/What have you lost activity. Remember what was good
- Active listening activity
- Sharing your testimony
- Somebody can understand your loss and build a community with you
- Invite somebody into your space so you can overcome loneliness and bridge the gap
- Stuff gets blown into your trauma balloon and you can not take it anymore
- The 3 questions to ask someone who is hurting
- A promise to be a safe listener

VI. QUESTION AND ANSWER SESSION— Don Gordon

- If we can not give quick solutions, what do we do? We can offer resources

VII. COMMUNITY PARTNERS PRESENTATION –
