

Near South Side Community Asset Resource Map

The Community resource map provides information on resources that have been identified in the Near South Side ROSC community neighborhoods (e.g., resources related to recovery support services, housing, employment, vocational training, transportation, independent living, health care, policing, government etc).

We have identified several community resources. 15 locations provide direct medical services to community members seeking access to substance use and mental health support; Access Cabrini Family Health Center, Ashe' Counseling & Coaching LLC, Chicago Treatment & Counseling Center, Chinese American Service League, City Counseling Center, EDDR Foundation, Insight Hospital & Medical Center Chicago, Legacy Healing Center, Mck-UDOS, MAHA on 26th Street, Oak Street Health Chinatown Primary Care Clinic, Pilsen Wellness Center on South Hermitage Avenue, Pui Tak Center, Restoration Center Chicago, Safe Place Counseling, Wellness Home Behavioral Health etc.

Although the community is full of resources, the community can benefit from expanding existing mental health and substance use care programs in order to increase access across the neighborhoods.
