There is one up at the Wapella Fire Department. We have one left! We are trying the town of DeWitt or Waynesville.

1. SURP ROSC SURVEY- We have 92 Surveys! Maggie went over the data with the Council and shared their thoughts on how some of the surrounding towns are different. There was more stigma in Farmer City with Substance use than Mental Health. We did get a good number of people who wanted to know more about ROSC and who already know about

ROSC. More people from Farmer City didn't know much about Substance Use. The data we will use to help Farmer City.
