Subrecipient Statement of Collaborative Intent

Part II: To be Completed by Subrecipients/Subcontractors NOT participating in the FDP Clearinghouse Pilot

For a list of participating institutions, see https://fdpclearinghouse.org/organizations.

Certifications

.. Facilities & Administrative Rates included in this proposal have been calculated based on the following:

Our federally negotiated F&A rate for this type of work.

No federal negotiated rate and we hereby agree to accept the 10% de minimis MTDC rate as a subrecipient.

In the case of NIH: NIH will continue to reimburse F&A costs to foreign and international organizations at a rate of 8 percent of modified total direct costs (MTDC) less only equipment.

A reduced F&A rate dictated by the prime sponsor that we hereby agree to accept. Rate: Base:

Not applicable (no indirect cost are requested). If checked, please specify rationale in Comment Section below. Indirect costs are not separately requested as costs are fully burdened.

2. Fringe Benefit Rates included in this proposal have been calculated based on the following:

Rates are consistent with our federally negotiated rates.

Other rates (please specify in Comment Section below the basis on which the rate has been calculated)

Fringe Benefits are not separately requested as costs are fully burdened.

3. Financial Conflict of Interest

Subrecipient organization/institution has an active and enforced policy on conflict of interest.

Subrecipient does not have an active or enforced conflict of interest policy and hereby agrees to abide by GSU's policy. To comply with GSU's policy, please attach a completed GSU FCOI Disclosure Form for each investigator on this project.

4. Financial Conflict of Interest – Public Health Service (PHS)

Applicable to projects funded by PHS/NIH, or any sponsor following PHS FCOI Regulations.

Not applicable because this project is not being funded by PHS/NIH or any other sponsor following the PHS FCOI Regulations. Subrecipient organization/institution has an active and enforced policy on conflict of interest consistent with the provision of 42 CFR Part 50 Subpart F.

Subrecipient does not have an active and/or enforced conflict of interest policy and hereby agrees to abide by GSU's policy. To comply with GSU's policy, please attach a completed GSU FCOI Disclosure Form for each investigator on this project.

5. Ethics in Research Training

Applicable to projects funded by NSF or any other programs requiring Ethics in Research Training.

Not applicable because this project is not being funded by NSF or any other programs requiring Ethics in Research Training. Subrecipient organization/institution will ensure that all undergraduates, graduate students, and postdoctoral researchers who will be supported by this NSF proposal will be trained on the oversight in the responsible and ethical conduct of research.

6. Debarment, Suspension, Proposed Debarment

Is the PI or any other employee or student participating in this project, debarred, suspended or otherwise excluded from or ineligible for participation in federal assistance programs or activities? Yes No

If YES, please explain in Comment Section below.

If **NO**, the Organization Certifies it (answer all questions below):

is not presently debarred, suspended, proposed for debarment, or declared ineligible for award of federal contracts.

is not presently indicted for, or otherwise criminally or civilly charged by a government agency.

has has not within three (3) years preceding this offer, been convicted of or had a civil judgment rendered against them for commission of fraud or criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commissions of contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements or receiving stolen property

has has not within 3 years preceding this offer, had one or more contracts terminated for default by any federal agency.

Subrecipient Statement of Collaborative Intent

Audit Status

- 1. Was the subrecipient required to conduct an annual audit in accordance with the Single Audit Act or Uniform Guidance Subpart
 - F, Audit Requirements for the most recent Audit year? *Yes No
 - a) Was an audit in accordance with the Single Audit Act completed for the most recent fiscal year? Yes No
 - b) Were there any audit findings reported? Yes No If Yes, please clarify in the comment section below.
 - * If YES is checked, a complete copy of subrecipient's most recent audit report, or the Internet URL link to a complete copy, must be furnished to GSU before a subaward will be issued. URL:

If no audit was completed OR If Subrecipient is not subject to the Single Audit Act or Uniform Guidance, A limited-scope audit will be reviewed and approved before a subaward can be issued.

Subrecipient Institutional Information

Federal policy requires subrecipients of federal funds to be registered in SAM

1. Is subrecipient currently registered in Central Contractor Registration via SAM? (www.sam.gov) Yes No If NO, organizations that have not registered with CCR will need to obtain a Unique Entity Identifier (UEI) first and then access the CCR online registration through the SAM (System for Award Management) home page at https://www.sam.gov (U.S. organizations will also need to provide an Employer Identification Number from the Internal Revenue Service that may take an additional 2-5 weeks to become active). Completing and submitting the registration takes approximately one hour to complete and your CCR registration may take 3-5 business days to process. Subrecipient must maintain current CCR information in SAM.

2. EIN #:
3. Be sure that the UEI is entered on page 1.
