ITEM	DISCUSSION	TIMELINE & RESPONSIBLE PERSON(S)
Old news	Low numbers for PIT count this year. Small teams were sent to Chester to gather information. Concerns about the local management's oversight of homelessness and emphasized a case-by-case approach to support rather than seeking additional funding. Drug Endangered Children program is popular and we have as many as 30 currently participating with that.	
Current news	Discussed monthly meeting participation. Should we consider moving the date and time again? Should we try to survey participants? Focus work currently is on community survey, community needs analysis. Working on pastor appreciation event planning and invites for June. SIRN conference planning is in full swing.	
Presenter	Rescheduled
