McDonough/Fulton County ROSC transported or assisted in the transportation of **22** individuals to detox, in-patient treatment, and sober living in FY25

McDonough/Fulton ROSC coordinator is part of a Deflection Initiatives in the MFCI ROSC coverage area. EMPOWER Deflection Initiative covers Henderson, Hancock, McDonough, Brown, Schuyler, and Adams Counties. MFCI ROSC Coordinator is on the leadership team for both Deflection Initiatives.

In June of 2025 (FY25), MFCI ROSC voted to change from an online meeting to hybrid format for their monthly meetings. This was voted on by the council members and was met with great enthusiasm. The meetings have been a success. MFCI ROSC has had an average of 11 council members in person, and an average of 17 council members joining via Zoom. This implementation has allowed MFCI ROSC to gain community partners from sectors not previously represented.

### **MFCI ROSC Top Three Priorities FY25**

1. Increasing awareness of harm reduction resources
2. Increasing awareness of addiction and recovery
3. Addressing transportation issues for treatment and recovery resources
