

DOCUMENT NAME:

GENST Enrollment Migration Report as of Fall 2020 Census

Responsible Office:

Institutional Research & Effectiveness

Background/Overview:

Beginning in 2018, the Office of Institutional Research built a report to track the retention and graduation rates of entering fall first-time, first-year students by semester and the majors that these students chose once eligible to do so. This report reflects data as of the Fall 2020 Census, therefore it does not yet include the 6-yr Graduation Rate as that will not be finalized until October when Summer 2020 graduates have been finalized.
