

# Advising Guides for Freshman & Sophomores

# Bachelor of Health Science in Community Health

This is based on the 2023-2024 Academic Year and is based on successful completion of approximately 12 hours a semester with summers. Students must choose the STEM or Social Science Focus Area. Refer to the document "General Education Requirements for General Studies Students – First Year Students" for details on the required general education courses for each cohort. For all general education courses, you must earn a "C" or better. Students with Advanced Placement or other approved transfer and early college coursework need to contact their advisor right away so that you don't duplicate credits.

Level	Fall	Spring	Summer
Freshman	ENGL-1000 (3) COUN-1008 (1) PSYC-1101 (3) FYS-1001 (3) MATH-2100 + MATH-2101 (3-4) Total – 13-14	ENGL-1010 (3) Fine Arts (3) Elective/ Concentration Courses (3) Physical Science (3-4) Total – 12-13	Social Science (3) Elective/Concentration Course (3) Total - 6
