2025-2026 Financial Aid Revision Request

This form may be used to request an increase, reduction, or cancelation of your Federal Work-Study, Federal Direct Loans, or Federal PLUS Loans (reduction only). Note that if you elect to cancel your entire financial aid award for one or both terms, this will include all Federal, State, Institutional, and Outside awards that have been awarded. Please return your completed form to the Office of Financial Aid. Please note: The Office of Financial Aid highly recommends that you only borrow what is truly needed to fund your education.
