### Ordering and Booking Timeline

To properly and efficiently plan for your event we ask that an initial inquiry be placed to our catering department at least 2 weeks prior to your event. Any event scheduled with less than 2 weeks is subject to product availability. Once an event is booked with Arena Catering, we guarantee availability for that particular event unless otherwise specified. We ask that all final arrangements, including final guest counts, be finalized at least 3 business days prior to the event date. At that time, Arena will issue a confirmation outlining our final arrangement.

In order to properly process your event for production and invoicing, all events **MUST** have a catering requisition form emailed directly to [catering@govst.edu](mailto:catering@govst.edu).

### Prices and Menu

In an effort to encourage our guests to provide us with as much notice as possible, Arena Catering offers an **Advanced Booking Discount of 10% off all food and beverage pricing** for all events scheduled to be serviced at Governors State University.

#### To qualify for the Advanced Booking Discount:

- The organizer for your event must submit a completed catering requisition form via email to [catering@govst.edu](mailto:catering@govst.edu) at least 2 weeks prior to your event.
- The invoice must be paid by GSU through standard billing procedures.

Pricing does not include service labor or any ancillary items such as rental equipment, additional linens, items not specifically listed as included or any applicable sales tax. We reserve the right to assess additional labor fees based on the requirements of the event.

Any change in menu, significant change in meals to be served, staff requirements or general change in scope of work may require a recalculation in quoted price.

For enrolled students and Student Organizations wishing to utilize catering services for your next event, Arena offers a Budget Services menu. Please contact our Catering Manager via email at [catering@govst.edu](mailto:catering@govst.edu) or phone at 708-534-4496 for a copy of the Budget Services menu, options and restriction.

### Guarantee Amounts

We appreciate an estimated number of attendees as soon as possible after booking. Arena will require a guarantee of the amount of guests to be served at least 3 business days prior to the event. Any change up from the guarantee number made within three days of the event is subject to availability. The final guest count will be what we prepare for. Catered events will be charged either the guarantee amount or the actual attendance, whichever is higher. Arena Catering does not guarantee service, food or space for any amount of guests above this amount. Arena Catering reserves the right to amend guarantee dates and charges at any time due to specific needs and commitments involved with your event.

### Cancellation Policy

Arena Food Service, Inc. reserves the right to charge the full expected price of a scheduled event should it be cancelled with less than a 3 business day notice.

### Deposit and Payment Terms

#### GSU Sponsored or Affiliated Events

All events that are to be billed directly to GSU will be invoiced after the event. All events hosted by a department or organization affiliated with GSU must have an event requisition form, with all cells filled out, on file with our catering department prior to the event. Upon completion of your event, an itemized invoice will be sent to the event organizer. Additionally, on a bi-monthly basis, those invoices will be sent to GSU accounting for payment. Should you have a discrepancy or dispute on your catering invoice, please do not hesitate to contact the catering manager.

#### Non-GSU/ Outside Organization Events

All events hosted by an outside organization (not paid directly by GSU) will be subject to a 19% service charge on all food and beverage prices. The Advance Booking Discount does not apply for non-GSU paid events. Additionally, Arena will require a deposit of 75% of the total anticipated invoice at the time of confirmation with final payment due prior to the event, unless prior arrangements have been made and approved by the food service director. Prior arrangements of credit can be arranged for corporate clients and repeat customers.

Under certain circumstances, Arena Food Service, Inc. will require a larger deposit or prepayment due to the commitments required by the event or past payment history. We reserve the right to change payment terms for any reason without notice.
